THE PAROLED MES OF THE 95TH ORIO.-We paid yesterday a brief visit to the new encampment of the 95th Ohio. It is situated a little to the northwest of Camp Thomas and on ground that appears in this dry weather very suitable for a camp. But it may not Address, or Business Directory Card, 1 year \$5.00 be found so well adapted to the purpose without great labor in ditching and draining, if the heavy fall rains that are now so much needed should ever set in. The water too Norwood Course.—An interesting trotting had been dispatched to Richmond, Ky., with there of "Among the Pines," will contribute we learn is not of so good a quality as would an ambulance train, to bring the remaining to each issue, having already begun a work be desirable. There are in the camp some three or four hundred of the 95th, a small fraction of whom are not paroled men. The latter are used more especially as a kind of police force, but the men are all subjected to regular camp discipline, and the drilling process goes on daily by companies or squads Here let us remark, that Dr. Silabee is a ed, as heretofore, by tales, poetry, and huand an occasional dress parade, so far as the ments. The boys of the 95th have proved themselves brave; we believe they are as ionorable as they are brave. If they were now free to go; and were ordered to an enemy's country, there is hardly a man among them who would ask the point of destination or the nature of the service about to be required of them, if told by their officers that it was necessary for the success of the expedition that these things should be kept a profound secret.

But these young men who have been paroled are sensitive on one point, in which they conceive their honor and plighted faith are involved-a sensitiveness always characteristic of the truly brave. They went of Eastrank Man.—sis Columbus, Gloses at 1:55,
